caring for you

## Non-members of Teachers Federation Health are most welcome to join us at the reTREAT!

What membership means:

You are a non-member if you are not a financial contributor to Teachers Federation Health with a membership number at 30th September, 2007.

Teachers Federation Health is not the NSW Teachers Federation. If you are a member of NSW Teachers Federation you are not automatically a member of Teachers Federation Health. Membership is your choice.

Registering for the reTREAT:

Check out the program and choose your sessions before registering.

A registration fee of \$25 includes your massage.

Each daytime session you choose is priced at \$22.

Evening ('After Dark') options are individually priced for members and non-members. A \$1 handling fee is charged on top of the ticket fee for non - members.

Accommodation discounts apply to members and non-members alike. Please do not phone the hotel for the discount price. You must book by downloading the booking form from the website and sending it to the hotel. (Be quick - these rooms will be held at these prices for only a limited time.)

Special discount offer:

Once you have registered for 10 daytime sessions (ie the equivalent of 2 days) **please pay no more than \$250 plus your evening choices.**

Register for any number of additional sessions and we will discount the charges for your daytime sessions to a maximum of \$250. For example, if you register for all sessions for four days your total invoice will be \$25 registration + \$110 per day for five sessions per day = \$465. Pay only \$250 + your evening choices and the balance will be discounted.

Consultations

The number of health screen consultations available is strictly limited. Non-members can check for any vacant times available on the day.

We look forward to seeing you at the reTREAT!
